Pay Increase And Five Paid Holidays Made By Dorsey

Effective the week ending Dec. 3, employees of Dorsey Trailers receive a percent increase in pay and five paid holidays each year, announced George L. Collier, company president.

The five paid holidays will be New Year's Day, Fourth of July, Labor Day, Thanksgiving and Christmas. The first paid holiday was last Thursday, Nov. 24, on Thanksgiving.

Favor Profit-Sharing Dorsey Trailers employees have wholeheartedly approved a change in the method of payment of future profit-sharing benefits, said Mr. Collier.

The general pay increase is guaranteed and will be paid each week, Mr. Collier explained.

Profit-sharing will be paid employees semi-annually in June and December, prior to vacation weeks, with a 10 percent minimum of the profit-sharing being paid into the Dorsey Employees' Retirement Fund.

Profit-sharing percentages will be announced each month, and the money will be accumulated for a six month period after which it will be paid to the employees.

Boost Average Earnings Benefits to which an average employee is entitled by law, consisting of Workmen's Compensation, Social Security and Unemployment Compensation, amount to \$183.00 per year.

Benefits received by employees of Dorsey Trailers, which are not required by law, consist of Paid Vacation, First Aid, Preventive Medicine, Birthday and Christmas Gifts, Life Insurance, Hospital Insurance, 5 Paid Holidays, Daily Recess (coffee breaks), in dollars and cents, these extra benefits amount to \$357.30 per employee per year.

Benefits of \$183.00 required by law, plus \$357.30 which are not required by law, bring the total benefits up to \$720.30 per year employee.

These extra benefits do not appear in the company check, Mr. Collier pointed out, "but they are paid directly or indirectly by the company."

Here's Real News: Litter of Pups Given Away

There's a saying in journalism that "when a dog bites a man, that's not news, but when a man bites a dog, that's news."

In advertising it's a principle for sale, whether by a store or church, it's advertising, but when something is to be given away that's news.

Therefore, when Dr. M. V. Miles called The Elba Clipper to run an ad that he wanted to give away eight 2-month-old puppies, he found that it was news, not advertising.

He said the litter was born to a neighborhood dog which had taken up residence at his house. He doesn't know the breed but he says they're cute.

On Thursday night, Dec. 15, the BOBACATECHISM, the Opp High School newspaper, will hold its annual Christmas Beauty Pageant. It will begin at 7:30 p.m. in the high school auditorium.

Girls from the tenth through the twelfth grades will compete for the title "Queen of Beauty" before impartial, out-of-town judges. The pageant was first held several years ago, and has since become one of the highlights of the school year. Competition for this coveted title is especially keen, and for this reason, a large crowd is expected.

CARS CRASH James Farmer, 19, of Morrow St., and Columbus Road, Rt. 1, Elba, were drivers of automobiles which collided Friday, Dec. 2, on Smith Avenue, according to investigation of Police Chief William Williamson. Russell was making a U-turn, the chief said. No one was hurt and no one was arrested.

HELP US TO HELP YOU!

The Elba Clipper had such a flood of subscriptions during the circulation contest just closed that we were later than usual in adding many names to the circulation rolls. For that, we are sorry. Although we have struggled over such difficulties as incomplete or wrong addresses, omissions in names, and have written dozens of letters to seek further information from new subscribers, there are still difficulties with some.

There have been a few subscribers receiving more than one paper, or more than one paper going to different persons in the same family. This is due to the fact that a subscription was entered to one person by his initials and surname, another to the same person by his given name and surname, and sometimes still another in the name of his business or the name of his wife or one of his children.

In such instances the subscriber does not get full credit for an extended subscription though it is The Elba Clipper's intention to see that everyone gets his or her paper for the time for which credit is due.

Therefore, to help The Elba Clipper give every subscriber full credit for his or her due, you can help as follows:

(1) IS MORE THAN ONE COPY BEING SENT TO YOU EACH WEEK? If so, please tear off the address sticker from each issue you receive, any one week, and mail to The Elba Clipper, Elba, Ala. Please do not telephone.

(2) HAVE YOU FAILED TO RECEIVE THE PAPER AFTER YOU SUBSCRIBED, or do you know of anyone who has failed to receive the paper after paying for a subscription? If so, please mail to The Elba Clipper, Elba, Ala., your name and address complete with RFD number, number, or General Delivery. For instance: to give "Elba, Ala.," as your address is not sufficient. BECAUSE The Elba Clipper must send all papers to the Post Office divided into bundles by boxes, routes, and city delivery. Please do not telephone.

(3) DO YOU FAIL TO RECEIVE YOUR PAPER IN THURSDAY DELIVERY IN COFFEE OR ADJOINING COUNTRIES? If so, please mail to us the information outlined in Question 2, above. Please do not telephone.

(4) TO DOUBLE-CHECK on whether or not you have received credit for the full time your subscription or subscriptions entitle you, proceed as follows: Notice on the address sticker a number after your name. The first number is the month, and the second number is the year of expiration. For instance: John Smith S-62 means that John Smith's subscription expires in August, 1962, according to The Elba Clipper's record. If you believe your subscription expires on a different date than that which the number on your address sticker designates, please mail to us the same information requested in Question 2, above. Please do not telephone.

The Elba Clipper has been unable to establish addresses for the following: L. B. Bryan, A. L. McIntosh, Ed J. Goodson. If you know the address of either of them, you will do an accommodation to him and The Elba Clipper to notify us.

MANNIE B. NELSON Manie B. Nelson, 30, of Elba, died Sunday, Dec. 4, at his home. He is survived by two sons, J. C. Nelson of Elba City, and Hollis Nelson of Elba; three daughters: Mrs. Roy Simmons of Elba, Mrs. Noah Hodge of Elba, and Mrs. M. A. Leverett of Glenwood; two sisters: Mrs. Bama Holmes of Antioch, and Mrs. Babe Henley of Andalusia.

Funeral services were held from the Antioch Church with the Rev. J. P. Morgan officiating. Burial was in the church cemetery.

—RATE CHANGE— Effective Jan. 1, 1961, the subscription rate to The Elba Clipper will be increased from \$3.00 to \$4.00 outside the Elba trade area.

The rate will remain at \$3.00 in Coffee and the adjoining counties of Crandall, Pike, Dale, Geneva, and Covington counties, and the capital city of Montgomery.

Heretofore the rate has been \$3.00 for all of Alabama and \$4.00 outside Alabama. The rate change will affect only those counties in Alabama on side Coffee and adjoining counties.

However, anyone affected by the change, and whose subscription expires a year between Dec. 1, this year, and Dec. 1, 1961, may renew during December at the old rate.

The plant located at New Brockton was a total loss last year, and the mill was moved to Elba with completely new machinery.

F. H. Murphree plant manager, said that the loss included several hundred dollars in grocery stock moved from his downtown store to the plant.

Johnny built a snowman! From white, cold snow he made it. It was hard work, and Johnny was justly proud.
Johnny built a snowman—in a day! He packed the snow hard, put in coals for the eyes and nose, and Daddy's hat was placed on top.
But far more of Daddy than just his hat went into this snowman. Just as Johnny worked hard to build the snowman, his father is hard at work too... building Johnny. Daddy's greatest dream is to see Johnny moulded into a man of strength, vision, and character.
Luckily for Johnny, Daddy is a wise father. He realizes that the most important single influence upon his son's life is the teaching of Christ. Daddy will see to it that his son receives that teaching by sending him to Church services regularly. In making certain that Johnny knows the beauty of God's words, father will see his greatest dream come true.

ALL PRESCRIPTIONS MUST BE CAREFULLY CHECKED

A pharmacist first studies every prescription before compounding. The dosage is checked for safety. We make certain we know exactly what your physician wants, if we are in doubt, we call the physician for more information. Then, you get your prescription quickly. That is why most new prescriptions cannot safely be ordered by mail. You would lose too much time and this personal checking between the physician and pharmacist, if compounded in a distant state, far from your physician.

Farm Bureau Elects Officers In Mobile

Alabama Farm Bureau members have selected Walter L. Randolph as president for his 31st year, and adopted policies on a large volume of local, state and national topics to be in the basis of their activities during the coming year.

Randolph was re-elected at the organization's 39th annual convention Nov. 13-16 at Mobile, winning by an overwhelming majority over John A. Garrett, Montgomery dairyman. The 400 voting delegates representing 75,000 county members also re-elected J. D. Hays, Madison County, and H. H. Knowles, Houston, as first and second vice presidents, respectively.

New members of the state board of directors are W. F. Roberts, Cherokee, succeeding Robert E. Lee, Etowah; L. G. Rambo, Lowndes, in the place of J. E. Egin, Montgomery; and T. M. Borland, Dale, who replaced W. C. Rivenbark, Henry, E. C. Sharpe, Calhoun, the only other member of the 12 man board whose term expired, was retained for another three years.

The board re-elected Sen. W. C. Civan, Dallas, secretary-treasurer.

Among other things they:

1. Recommended that all hospitals be exempt from paying the sales tax; (2) Refused to approve a resolution committee recommendation for a county unit system of road construction in place of a locally administered district system.

Opponents claimed larger districts would have control over such a unit plan.

(3) Turned down a committee recommendation that the state organization establish a uniform standard to determine active voting and associate members. While some oppo-

ents conceded that such standards were needed, they should be fixed by the counties; (4) Urged reactivation of the fire eradication program.

(5) Urged that cattle rustling be made a grand larceny offense.
